Our Story: From Bean to Global Market

Founded in 2015

Fortune Enterprises was established in 2015 by Pratik Savla, driven by a passion for coffee and a vision to connect the finest coffee beans with global markets. After Catering to our clients domestically for a decade, We envision ourselves to become a leading exporter of coffee.

Our Mission

Our mission is to provide premium coffee solutions to our global partners, fostering long-term relationships built on trust and mutual success. We strive to source the highest quality beans, employ sustainable practices, and deliver exceptional value to our customers.

Our Vision

Our vision is to be recognized as the world's most trusted and reliable exporter of fine coffee, setting the standard for quality, sustainability, and innovation in the industry. We aim to continuously expand our global reach and strengthen our position as a leader in the coffee export market.

At Fortune Enterprises, we are more than just exporters; we are passionate coffee enthusiasts dedicated to bringing the best coffee experiences to your customers.

Coffee Bean Varieties

Arabica

Indian Arabica coffee, primarily grown in the Western Ghats (Karnataka, Kerala, Tamil Nadu), is prized for its smooth, aromatic profile with sweet, fruity, and often chocolatey notes, and lower acidity. All Grades of Arabica are available with us .

- Flavor Profile - Smooth, Aromatic, Balanced
- Acidity - Medium to High
- Body - Full

Robusta

Indian Robusta, mainly grown in the warmer, lower altitudes of South India (Kerala, Karnataka, Tamil Nadu), is known for its strong, bold flavor, higher bitterness, and caffeine content, with nutty, chocolatey, and sometimes earthy notes. While distinct from Arabica, its robust characteristics make it valuable for espresso blends and instant coffee, contributing significantly to India's coffee production. All Grades of Robusta are available with us.

- Flavor Profile: Strong, bold, earthy
- Acidity: Low
- Body: Full

Coffee Products

Roasted Whole Bean

Our roasted whole bean coffee is available in light, medium, and dark roasts, each offering a distinct flavor profile. Light roasts emphasize the bean's origin characteristics, while dark roasts deliver bold, smoky flavors. We carefully monitor the roasting process to ensure optimal flavor development and consistency.

Ground Coffee

For convenience, we offer ground coffee in fine, medium, and coarse grinds to suit various brewing methods. Whether you prefer a French press, drip coffee maker, or espresso machine, we have the perfect grind for your needs. Our ground coffee is freshly ground and packaged to preserve its aroma and flavor.

Quality Assurance

Certifications

We are committed to ethical and sustainable practices. Our coffee is certified by Fair Trade, Organic, Rainforest Alliance, and UTZ, ensuring fair prices for farmers, environmentally responsible practices, and soc
